1. Home Page

We at Forgetmenot industries offer a very special service to our clients. We help them remember the legacy of their loved ones forever. We offer a variety of personalized products to achieve this goal. Books, DvD's and other of our specialized Memorabili. "Signs of Love" n These make meaningful gifts to family so they can always remember the stories and photos that frame the life of their loved one. Make sure you are never forgotten.

Consider some of the following questions:

- What do you want your great grandchildren to know about you?
- What if in 100 years no one remembered you?
- How do we know anything about George Washington or Anne Franke?
- Do you wish you knew more about your ancestors or deceased family members?

Whether you have lost someone recently or if you want to assist someone with compiling their history. We only have those we love for a limited time. Their stories and lives can teach us so much. Someone wrote it down.

Resources

7. We want you to succeed in building your gift so we have provided resources that can help you along the way. Interviewing. Many feel overwhelmed at this process. It may seem daunting, but these links to interview questions and tips will help you
